

Crown Hill Invites Your Respectful Support

"As a cemetery it is unique in Indiana, for its size and the historical context it provides to the families it serves and to Indianapolis. As an outdoor museum and park, it is a place of reflection and education for thousands of visitors who come to it each year. There is no other property, in this city or state, that offers the pastoral tranquility and texture it does. Dignity, reverence, and peace are among many other words that define Crown Hill."

*~ Gordon Wishard, Chairman
The Crown Society*
